

eLearning For kids

This Resource sits on the Tablet. You can access it after you enter your code on your tablet

The screenshot displays the e-learning for kids website. At the top left is the logo with the text "e-learning for kids" and "Opening Doors to Education Worldwide". To the right is the "founding dreams" logo and a language selection bar: [English] English (TN) Nederlands Español Français Português. A left sidebar contains a menu: Home, About us, Courses for Kids!, Media, Get Involved!, Partners, Events, and Contact us. Below this are sections for "e-learning for life", "Orientation for Teachers, Administrators, and Parents", a "Guided Tour", and "Offline Access". The main content area has two sections: "CLICK ON YOUR GRADE" with icons for K, 1, 2, 3, 4, 5, and 6; and "OR CLICK ON A SUBJECT AREA" with icons for mathworld, math general, language arts courses, science courses, computer, environmental skills, health, life skills, and english language. The footer includes social media icons (B, f, t), the e-learning for kids logo, an "Access through iPhone" button, the e-learning for life logo, and a button for "Access to: e-lessons for teenagers and students".
